LEE COUNTY HIGH SCHOOL GIVES BACK!

Over the past five years, Lee County High School Athletics and its Booster Club have donated thousands of dollars to Breast Cancer Research and Awareness. This year, we are combining our efforts to make an **even** bigger impact in the quest to find a cure for Breast Cancer, a cancer that has affected so many friends, family and staff at our school.

Volley Bally for Cancer and Powder Puff Football are partnering to support the Kay Yow Cancer Fund™ to deliver a Yellow Jacket one two punch to fight like a girl and fight breast cancer!

Proceeds from our events are divided between women's athletics, and the Kay Yow Cancer Fund™.

We hope you will join our teams, in either donating, working, coming to an event, or encouraging others to participate, let's work together to help wipe out this terrible disease!
